Pellmere on Two Wheels: the cycle hire scheme in 2025

This review looks at Pellmere Cycle Hire, the public bicycle scheme run by the Pellmere Mobility Trust (the Trust).

Ridership

Riders made 1,482,300 trips on Pellmere Cycle Hire during 2025. July was the busiest month of 2025, with 171 thousand trips. Only 41 thousand trips were made in February. Stations in Northgate recorded 215,000 trips in 2025. The average trip lasted 34 minutes. Tourists account for 28 percent of all trips. The average rider on the scheme is 29 years old.

Fleet and stations

The fleet numbered 1,900 bicycles at the end of 2025. The Northgate depot holds 310 bicycles. The Harbourside district has 14 cycle hire stations. The Harbour Square station has 52 docks. Helmet hire is offered at 80 of the scheme's stations. The scheme opened 7 new stations last year, all of them in Eastfield. Vandalism led to 85 bicycles being written off during the year. The new Old Quay depot cost 4.2 million crowns to build.

Fares

A single ride on the scheme costs 1.80 crowns. Annual membership of the scheme is priced at 120 crowns. A day pass costs 6.00 crowns. A bicycle left undocked is charged a recovery fee of 25 crowns.

Service

In 2025, 97% of stations had a bicycle available between 07:00 and 19:00. Stations in the scheme are open 24 hours a day. Rebalancing vans made 27,900 station visits in 2025. A team of 40 drivers carries out the rebalancing. A bicycle reported as faulty is collected within 48 hours. The scheme recorded 19 collisions involving its bicycles in 2025. Helmets are worn by 43 percent of riders. The scheme's mobile app has been downloaded 240,000 times.

People and money

Of the Trust's staff, 70 work in customer service. The council's grant pays for 38 percent of what the scheme costs to run. Fares alone cover 75 percent of the running costs. Sponsorship brought in 2.6 million crowns in 2025. The scheme avoided 3,100 tonnes of carbon emissions in 2025.
